

# MIE2585

## About this product:

This 2.5 is a great early season Enlist product  
 Does well across all regions and environments  
 Clean looking bean with historical yield  
 Was not beat by any other 2.5 in Steward, IL plot 2019

## Plant Specifics:

9 = Excellent      1 = Poor      R = Resistant

Emergence	8								
Standability	5								
Stress Tolerance	8								
Phytophthora Root Rot	7								
Iron Deficiency Chlorosis	8								
Sudden Death Syndrome	5								
White Mold	5								
Frogeye	R								
Stem Canker	R								
Brown Stem Rot	R								

Soybean Cyst Nematode Marker: PI 88.788

Phytophthora Gene: NG

## Herbicide Tolerance

**Dicamba Tolerance**

**NO** ⊗

**2,4-D Choline Tolerance**

**YES** ✓

**Glufosinate Tolerance**

**YES** ✓

**Glyphosate Tolerance**

**YES** ✓

## Plant Characteristics:

Purple Flower

Gray Pubescence

Brown Pods

Imperfect Black Hilum

2.5 Relative Maturity

Medium Tall
